## POETS & WRITERS

Founded in 1970, Poets & Writers has been the primary source of trustworthy information, professional guidance, support, and inspiration for generations of writers. Our work is rooted in the belief that literature is vital to sustaining a vibrant culture. We focus on nurturing literature's source: creative writers. Our mission is to foster the professional development of poets and writers, to promote communication throughout the literary community, and to help create an environment in which literature can be appreciated by the widest possible public.

## THE WRITERS FOR WRITERS AWARD

Celebrating authors who have given generously to other writers or to the broader literary community.

## THE EDITOR'S AWARD

Honoring a book editor who has made an outstanding contribution to the publication of poetry or literary prose over a sustained period of time.
