## **POETS & WRITERS**

Founded in 1970, Poets & Writers has been the primary source of trustworthy information, professional guidance, support, and inspiration for writers for more than fifty years. Our work is rooted in the belief that literature is vital to sustaining a vibrant culture. We focus on nurturing literature's source: creative writers. Our mission is to foster the professional development of poets and writers, to promote communication throughout the literary community, and to help create an environment in which literature can be appreciated by the widest possible public.

## **THE BARNES & NOBLE WRITERS FOR WRITERS AWARDS**

Celebrating authors who have given generously to other writers or to the broader literary community.
